For personal reflection, or group discussion

1. Read 2 Corinthians 4:18. Give an example of seeing something that is invisible. In practice, how can we fix our eyes on the invisible?
2. To the disciples' question (v 12), Jesus gave an obscure answer (v 13). List some reasons why God does not answer our questions clearly.
3. What is the difference between a 'want' and a 'need'? Are 'wants' and 'needs' the same for everyone? Why does God not promise to give us what we 'want'?
4. Why does God want me to do stuff when He could do it better?
