Know problems. Know solutions. Mark 7:20-23

This week I really need to be praying for...

Discussion starters. There are no wrong answers.

1. Why do you think blaming others is so common?
2. What are some of the problems that I cause, when I make excuses for the bad behaviours of those I love?
3. Read Romans 8:25-37. How does God describe us? Is His statement past, present or future tense?
4. How does moving from a Scarcity mentality to an Abundance mindset move me from Victim to Victor?
5. Explain the difference between Sin and Sins.
6. List some external factors that encourage or discourage Sins. List some internal factors that do the same.
7. How did God solve my Sin problem? What resources do I have to help solve my Sins problems?
